Cost: \$40 for members plus \$30 kit fee payable directly to instructor
Includes pre-fused silk fabric, embroidery threads, needles, hand-outs.

Class Description:

Densely hand stitched, these small landscape vignettes are created from your original design. They are made with cotton threads and free stitched on hand-dyed silk fabric. The vignettes are rich in color and texture and marks by the maker. You'll learn about fabric and batting choices, how to transfer your design to the silk, the threads and needles best for stitching, and how to devise embroidery stitch combinations unique to your design. It is a slow, thoughtful, tempo of making intimate art work.
