

Free Mobile App for Creativebug

Sarasota County Libraries is offering a new, free Mobile App for Creativebug. It offers over 1000 high quality video classes for FREE with the use of your library card! I found the following classes in a few minutes while browsing the site:

Sue Nickels - "Free Motion Quilting";

Heather Jones - "Improv Patchwork for Beginners";

Carolyn Friedlander - "Hand-Stitched Applique Quilts" -and many more.

Go to www.scgov.net/library and choose Library Resources Mobile Apps. You will find Creativebug listed there. Enjoy!
