Cost: \$40 for members plus \$10 for pattern payable to teacher.

Class Description: Fusible Collage is a technique using shapes, color gradations, color values and times. Create specific shapes and/or sheets of fusible collage pieces to cut designs from. You will learn how to fuse and how to use your fabrics. Making a small project in this class is the beginning to a world of quilt design. Ideas are endless once you learn the Fusible Collage technique. This class is for all quilt levels, learning a fun, fast and creative way to make images to add to your Wall Art!!!!
