THE FIRST GREAT UFO CHALLENGE GUIDELINES

- 1. UFO = Unfinished Object: In quilt terms it is an unfinished quilt project. Many of us have projects started in a bag, fabric gathered, maybe cut, usually partially underway. The Goal of the Challenge is to gently encourage you to complete the 4/5 UFO projects by February 15, 2021.**
- 2. Turn in the completed entry form along with a \$10.00 registration fee (goes toward prizes in December). You will receive a Challenge Pin to wear to Guild meetings. For each completed project you will receive a button to attach to your pin and show off your progress.**
- 3. Rules to play by:**
 - 1. A “quilt” can be any size you choose.
You may choose to complete 4 projects during the year with a 5th Bonus. January 2020 – February 2021.**
 - 2. Project #1 must be completed by April 20, 2020. Earn a Bonus ticket here for the timely finish!**
 - 3. The other projects may be finished in any order with all completed by the February 15, 2021 FKQG Guild Meeting.
BONUS #5 is special! You went above and beyond and for this you will receive an extra ticket for the drawing!**
 - 4. Finished = Quilted, Bound and LABELED.
The Label should include your name and the date completed at the minimum, NO EXCEPTIONS!**
 - 5. You will show the finished project at the UFO Challenge table at the Guild Meetings where a committee member will check it off your entry form. You will then select a button to attach to your Pin to mark your achievement and a prize ticket to put in for the drawings at the December 2020 meeting.**

**** While it is NOT REQUIRED, we do hope you will show your UFO during Show and Tell at guild meetings.**

We are here to CHEER the finishing and we hope you share your quilt with the group and tell its story.
