Intentional Accidental Curves – Supply List

Tuesday, March 22, 2022 - 9am to 4 pm

Sarasota Community Church

4041 Bahia Vista St., Sarasota

28mm and/or 45 mm rotary cutter with a sharp blade!

6" x 24" acrylic ruler

Cutting mat with a minimum 24" side (prefer 24" x 36" if you have one)

Fabric: 4-6 lights, 4-6 mediums, and 4-6 darks. Solids and/or various size prints. Bring a variety of colors you like together. You will want at least a fat quarter of each fabric.

You can work toward making fabric that you want to use in a future quilt, so bring fabrics you love together.

Or you can work toward making samples of techniques, so bring something you don't love anymore but will have the contrast you need to make the techniques appealing.

I don't anticipate you'll need a full yard of any fabric, so you might want to make that a maximum cut to bring. Scraps will not be useful.

Sewing machine, with cord, foot pedal, extension cord, knee lift (optional), ¼ inch foot if you have one.

Neutral thread (I like a 50 or 60 weight) and matching bobbin

Stiletto (if you have one)

Small scissors or nippers.

Fabric sizing or starch. Irons will be provided.
